PRINCETON COACHES

Coach Hinkley Sets Entire Squad  
at Tackling Dummy on Eve  
of Championship Clash.

PRINCETON, N. J., Nov. 12.—Princeton coaches today definitely determined upon the line-up that will go against Yale tomorrow. With one exception it will be the same that faced Harvard Brown replaces Shea at right end, but there is the chance that the latter will get into the battle before it is over.

The line-up for the game will probably be as follows:

Yale	Position	Princeton
Hamlin	Left End	Highley
Talbot	Left Tackle	McLennan
Walton	Left Guard	Sherris
White	Center	Hammer
Conroy	Right Tackle	McIntyre
Betts	Right Guard	Ballin
Stallman	Right End	Brown
Wilson	Left Tackle	Ames
Amesworth	Left Guard	Ames
Knowles	Center	Ames

NEW HAVEN, Conn., Nov. 12.—Declared to be fit as a fiddle and ready to tear the hide from the "Tiger," the Yale team leaves here today for Princeton. The Blue variety had its final rehearsal yesterday for the big show in Palmer stadium tomorrow. The players reach the jungle this afternoon. At 4 o'clock they are to hold a signal drill in the Orange and Black stadium.

An unusual feature of yesterday's practice was the tackling dummy drill. Never before has this taken place on the eve of a big game. Coach Hinkley was displeased with the poor tackling in the Brown game, and had every member of the squad at work yesterday.

WEEGHMAN SAYS HE  
DOESN'T OWN CUBS

Some Details Must Yet Be Settled  
Before He Will Become  
National Leaguer.

CHICAGO, Nov. 12.—Charles Weeghman, of the Chicago Federals, today denied that the Chicago Cubs actually had been transferred to him and peace terms for the elimination of the Federal League agreed upon, though well-informed baseball men insisted that these two steps were taken at yesterday's conference between Weeghman and Garry Herrmann.

Weeghman declared that a few details in the deal by which he is to become owner of the Cubs are yet to be arranged.

Federal League Will  
Stick, Declares Mogul

BUFFALO, N. Y., Nov. 12.—Back from a Chicago-Pittsburgh-New York trip of baseball matters, President W. E. Doherty, of the local Federal club and chairman of the executive committee of the Federal League, declared today that practically the same circuit of cities would be maintained in 1915.

"We want the baseball fans to understand that no matter what takes place in Chicago between President Weeghman and owners of the Cubs," he said, "there would be no change in Baltimore, Buffalo, Brooklyn, and Pittsburgh. There will be a Federal League club in the cities mentioned."

LOCAL SOCCERITE IS  
WITH BRITISH ARMY

Intercity League Opens Sunday  
in Capital. Sons of St.  
George Playing Home Lads.

Washington's soccer football team has provided at least one man to the British army. Bill Hampton, the most brilliant center halfback ever identified with a soccer team in the Capital, is serving with the Royal Garrison Artillery, of Portsmouth, Eng., with which organization he was a reserve. Hampton is thought to be somewhere in Belgium now, but nothing has been heard from him since the war started in Europe. His friends in the local soccer club are waiting anxiously for some word from him.

The Intercity Soccer League opens its 1914-1915 campaign Sunday in this city. Washington playing the Sons of St. George, of Baltimore. Four clubs are in the circuit this season, Washington, Sons of St. George, Baltimore Americans and Baltimore Wanderers. Sunday's game will be played at the Roseade playgrounds, Seventeenth and Gales streets, north-east, at 3 o'clock, no admission being charged.

Captain Wright will select his line-up from the following players, who have been practicing regularly for three weeks: Steadman, McGinty, Nelson, Lane, Fraser, Briggs, Cox, Collier, Greive, Hodges, Cowan, Leckie, and Brown.

The Washington soccerites have booked a game with Randolph-Macon College for Thanksgiving Day at Randolph-Macon. The collegians have been playing the game all fall and are believed to be speedy.

Soccer football is gaining great headway in the Capital, and already six members of the Washington soccer club are teaching the boys on the playgrounds the rudiments of the game.

"American lads are so very quick to learn," said Johnny McGinty, who was captain of the team last year, "that in another year a number of leagues should be formed. Four years ago only two teams played soccer in Baltimore. Now there are more than four hundred teams playing the English game. From the way the youngsters take to it here, Washington is going to follow Baltimore's example."

Navy Will Use Many.

ANNAPOLIS, Md., Nov. 12.—Colby will have to meet twenty-two or more middies in Saturday's game, if the coaches carry out the plan decided on today. Throughout the game frequent changes will be made in the Navy line-up until two complete teams will have been in the fray.

Plank May Be Yankee.

NEW YORK, Nov. 12.—Eddie Plank may become a Yankee next year, Farrell having refused to waive Secretary Davis announces that Russ Ford and Ray Caldwell will also be with the team next season.

BOTH TEAMS READY  
FOR GRIDIRON CLASH

Western Thinks Itself Strong  
Enough to Make Central  
Hustle Along to Win.

By BRYAN MORSE.

Central and Western are taking the field a half hour earlier today than is usual owing to the fact that Referee Magoffin is slated to work in the South tomorrow, and in asking the faculty advisers to schedule the contest a little earlier, made his point.

Both teams are primed for the battle today. Western, believing it has a chance to make Central hustle along for a win. The Red and White is more than anxious to take Central's measure, as so far in championship games Western has been unable to cross the opponent's goal line.

The Red and White will be strengthened by the advent of "Dutch" Peck in the backfield, who is displacing Sergeant, a newcomer. Peck is an exceptionally fast runner, a good line plunger, and may put some ginger in the slow Red and White team. It will be Western's last game in the high school title series, and the youngsters will be up against an eleven strong on defense which has been coming forward all the while.

Capt. Edwin Giblin, of Western; Stan-ton Henry, George Bell, Francis Fortson, and Charles Matthews will play their last game for the Red and White, as they are in the fourth year. Western is expecting to rush a number of green youngsters into the game for the experience.

Central has lost but one battle in the title series, that with Tech, and has an excellent chance to either tie for the title in the event that its remaining games are won and business defeats Tech, or to land the runner-up position, trailing the Tech team.

Last year Central went back, after having won the championship the year before. Graduation robbed the eleven of many stars, and Coach Thomas has been at work developing players since. The team has yet to strike its stride, although today's game is calculated to show up the Blue team in its best light. Western so far has failed to impress, and while Central is conceded a win by many followers of Western, it is thought that the Red and White will be able to check the O streakers all the way, giving them a hard battle.

Central has been defeated but twice this season, Tech and the Navy. Peck turning the trick. At no time has Central been able to drive its way at will across the opponents' goal line on straight rushes. Earlier in the year the Georgetown Preps were held to a scoreless tie, Episcopal High, which defeated Tech, was held to a 7-0 tie, while Central managed to get away with the Business game by a 7-0 score.

"Adheral School tackles the Boys' Latin School, of Baltimore, tomorrow on Satterlee Field, and expects to win its game. The Blue and the Green are action under George F. Green has won its last two starts, and expects to fight its way through to the end of the season with wins.
